

# **YDZ ENGLISH**

## **TERM 2**

### **WEEK 7**

## FUTURE TENSE “GOING TO”

We use 'going to future'...

1. ...to talk about future plans and intentions
2. ...to make predictions about the future with physical evidence.

When we are asking a question about someone's future plans, we assume that they made plans and that's why we usually ask the question with ***“going to future”***

- We use verb to be “am/is/are” as helping verb to form sentences with ***“going to future”***.
- We use ***“verb infinitive”*** after ***“going to”***.

|                         |                                                                                                                                                                                                          |                                               |                               |
