TERM 2

WEEK 8

TENSES FOR FUTURE USE

We use “***WILL***” and “***GOING TO***” to talk about the future. We can also use...

1. ***Present Progressive*** to talk about certain things in the future. (future arrangements, plans that you are sure of)
 2. ***Simple Present*** to talk about timetables and schedules.
- We don't use ***Simple Present for future*** to talk about people. We only use it to talk about things like train, plane, lesson, movie, match, etc.
 - When we are asking a question about someone's future plans, we assume that they made plans and that's why we usually ask the question with “***going to future***” or “***Present Progressive***”
